EDUCATION

Maulana Mukhtar Ahmad Nadvi Technical Campus

Bachelors of Engineering (Computer Engineering)

Cumulative GPA: 9.25/10

Relevant Coursework: Software Engineering, Object-Oriented Programming, Database Management system, Artificial intelligence

Malegaon, Maharashtra

Expected 2027

Shri. H. H. J. B. Polytechnic College

Diploma in Computer science

Percentage: 85.37%

Chandwad, Maharashtra

August 2022

EXPERIENCE

Naviotech solution Pvt Ltd

Artificial intelligence intern

Indore, MP

Jan 2026 - March 2026 (Online)

- Completed intensive training in Artificial Intelligence and Machine Learning concepts.
- Worked on data preprocessing, model training, and predictive analytics techniques.
- Gained hands-on experience in AI workflows and real-world problem-solving.
- Collaborated with mentors and team members to understand AI project development life cycles.

UNIVERSITY PROJECTS

Voting System for Secure Voting

Team Member | Front-End Developer

Jan 2022

- Developed a secure voting system using biometric authentication.
- Designed and implemented an intuitive user interface.

AI-Based Healthcare Prediction System

Feb 2025

Team Leader | AI Model Trainer | Front-End Developer

- Developed machine learning models for healthcare prediction using data preprocessing and model training.
- Designed a responsive user interface for improved user experience.
- Enhanced prediction accuracy through feature engineering and data preparation.

Academic Project Under Planning : AI-Powered Interview Emotion & Confidence Analyzer

On-going

- Designed the project architecture and workflow for an AI-powered interview assessment application.
- Researched the use of Java, Firebase, Python, OpenCV, and DeepFace for emotion recognition and confidence analysis.

SKILL

- Programming:** C, C++, Python, Java (Basic)
- Web Technologies:** HTML, CSS, JavaScript
- AI/ML:** Model Training, Data Preprocessing
- Tools:** Git, GitHub, VS Code
- Concepts:** SDLC, Agile Methodology, OOP, Data Visualization
- Cloud:** Cloud Computing fundamentals

CERTIFICATIONS

Barclays Soft Skill / Life Skill Program

TATA Data Visualization Virtual Internship

ADDITIONAL

Soft Skills: Communication, Leadership, Collaboration, Analytical Thinking, Time Management, Client-Centric Thinking

Languages: English, Hindi, Marathi

Career Interests: Software Development, Artificial Intelligence, Machine Learning, Web Development, Data Analytics
